URGENT: We are Hiring!

About the organization

The Urban Catalysts develops and delivers innovative, locally relevant, evidence-based solutions to catalyze sustainable and equitable transport, public spaces, urban planning and design. We are currently working across India, Asia, Middle-East and Africa. Our client-partners include development banks, international agencies and foundations. We are looking for **Senior Associate-Urban Development** to join our growing practice. This is a project-based consultancy for 1-year and can be extended based on performance. The candidate will be based in Bengaluru and have the following key competencies:

Key technical competencies:

- Bachelor's/ Master's degree in urban design, architecture or urban planning;
- At least 7 years' relevant experience in master planning and local area planning, public space and street design projects, preparing technical drawings, specifications and tender documents;
- Excellent visual representation skills, including knowledge of MS Office, AutoCAD, SketchUp, Adobe Create Suite and other relevant softwares
- Excellent writing skills in English, oral skills in Hindi and Kannada or Tamil are desirable;
- Strong interpersonal and communication skills, with fluency in English and Kannada; knowledge of Tamil is desirable.

Key personal competencies

- Work independently in a fast-paced environment, lead and manage teams;
- Ability to multi-task and manage multiple projects simultaneously;
- Flexibility and agility to roll-up sleeves and work with uncertainty.

Interested applicants must submit their CV, at least 2 writing samples and portfolio to admn.urbancatalyst@gmail.com with 'Senior Associate-Urban Development' in the subject line. Only short-listed applicants will be contacted. The applications will be reviewed on a rolling basis.
